

A LETTER TO OUR NEIGHBORS

North Rosenberg Edition

Vol. 2

Mission Week Accomplished!

Scored with Sports Camp! Coach Bobby Delgado led a group of kids during Soccer Camp and they learned some very valuable lessons including how to dribble, pass and score. Kids also were taught about good sportsmanship and some Godly principals in life. We also had over a dozen kids participate in the Basketball Camp with Coach Sam Mahood and they even had a tournament to end out the week.

UT Physicians was the Title Sponsor of Mission Week 2017; not only at the Friends of North Rosenberg location, but also at Friends of North Richmond, Friends of Sundown and Friends of Northside!

The Home Repair Team worked all week long on the demolition of a home that was affected by the Memorial Day Floods of 2016! The team removed damaged furniture, tore down molded walls, demolished floors and walls of the house. On Wednesday the Our Lady of Guadalupe Youth Group joined the Home Repair Team and got the house down to the studs! Thanks to this group for being the hands and feet of Jesus Christ and helping these residents return home.

REVITALIZATIONS VOLUNTEER

1st and 3rd Saturday | 8:00 am-11:30am

Our Home Repair program is geared to assist low income, single parent, elderly or flood affected individuals with critical repairs to their home. We also do community revitalization projects as well. We have volunteer opportunities for the whole family.

Want to get your church or small group involved?

We would love to hear about how your group would like to serve and get involved in North Rosenberg!

Community Garden

The spring garden rush is behind us, but there's still so much to do in the summer garden. During this time of year our Houston area is typically very hot and muggy, with very little rain. This can be frustrating for Texas gardeners, but don't give up! Take some time to help prepare and properly care for our garden beds so we can have gardens that thrive, no matter what the thermometer says. Volunteers are needed to help water the garden in the early morning or late evening as well as removing weeds from the beds. Contact Sharon at 832.471.6090 for details.

The Wilson Family traveled over 1,100 miles to lead Kids Camp for Mission Week 2017! The four days were packed with music, crafts, fun, and art that went along with Bible stories. Participants learned lessons about the Ten Commandments, the miracles that Jesus performed, and about doing what's right. In partnership with Living Stones Church and Life Church Fort Bend, the Wilson Family led the Vacation Bible School for kids K-5th grade! Michael Wilson is on staff with Open Air Campaigners, which is an evangelistic ministry of preaching the Gospel to lost people and mobilizing the body of Christ to do the same, primarily through effective open-air outreach. Mike Wilson joined the staff of OAC in November 2016.
