

ABOUT ATTACK POVERTY

We are a global organization that serves locally, adopting pockets of poverty and launching what we call 'Friends' locations. These locations are long-term commitments that require mutual relationships and collaborative efforts with local organizations, churches, residents, and stakeholders committed to community transformation.

Our vision is to empower people to attack poverty in their life and community by strengthening under-resourced communities through **spiritual growth, education, revitalization, and basic needs.**

The 12th Annual Run to Attack Poverty is a community-driven event aimed at raising awareness and resources to attack poverty. With a mission to empower individuals and strengthen communities, this event brings people together from all walks of life to run, walk, and contribute towards a common mission.
